Junior production of Time Lord – what wonderful performances by the children of classes 3 and 4. Our time travelling children encountered a time lord, dinopods, Roman and Iceni warriors, Beethoven and Florence Nightingale during their musical adventure. The audiences were full of praise for the acting and singing talent – we certainly have some very talented and hard-working children in our little school.

Thank you to all the staff who worked so hard to put on the show, to the FOWS for running the raffle and refreshments and to all the parents who helped us clear up after the last show, your help was much appreciated.

A DVD containing the entire performance plus some still photos will be available for £3. Please leave payments in the office by Wednesday 19th July if you want one before the holiday. Please note that photos and video must not be put on social media.

Open Classes – on Monday 17th July 2.30 – 3.30pm, all the classes will be open for parents to come and look around at the work done by children. In addition class 2 will be open from 2.20pm for parents to come and hear the children giving a recorder performance.

Camping Day – on Tuesday 18th July classes 1 and 2 will be having a day of outdoor activities on the school field. If you have a pop up tent that you could lend us for the day, it would be much appreciated. Children may wear their own clothes.

ASC / BSC – please get your completed September forms back to the office with payment a.s.a.p. as places are going fast. Forms are available from the office and on the school website.

Clubs – please complete permission slips and send in payment for clubs running in September a.s.a.p. Forms are being sent out today.

Oxford University Press – does anyone work here? We have been getting a 50% discount via a parent, however they no longer work there so we have lost our discount. Please let the office know if you can help.

School Dinners – please note that the price of school dinners for years 3, 4, 5 & 6 will be increasing in September to £2.20. KS1 children will still get free school meals.

Fridge and Freezer – we have an under counter fridge and an under counter freezer available for a small donation to school. If you are interested, please contact the office.

Enjoy your weekend
