Thursday 18th December- Non Uniform Day £1 Donation.

Friday 19th December- Last Day of Term. School finishes at 1.30pm. **No ASC.**

Monday 5th January- Inset Day.

Tuesday 6th January- School starts 8.30am.

Dear parents/carers,

We have had another wonderful week in school, with the children motivated by their learning and producing some gorgeous work – I have certainly enjoyed the regular stream of proud children showing me the results of their super efforts. We have also been welcoming new potential parents for tours around our school over the last few weeks, giving us the opportunity to showcase our lovely school and its grounds, whilst receiving glowing feedback on how engaged and polite all our children are. We are always grateful to hear such

praise from new visitors to the school alongside that from our regular community, thank you.

We have been thinking about road safety awareness week. This is really important, especially as the evenings are getting darker. You can buy reflector key rings, or lights to add to coats, to help make your children more visible, if you would like too.

The children in **Little Gems** have been learning about how different parts from together to make the whole. I was very impressed how they are learning about fractions through parts of the whole and are using the correct mathematical vocabulary. Great work Little Gems.

Opal class have really enjoyed their cricket/multi-skills trip this week. Working with four other primary schools, they enjoyed learning lots of new skills and techniques in the Sports Hall. Well done Opal class.

This week **Jade** Class have really enjoyed exploring real life snakeskin. They explored the feel and texture of the snakeskin; they were amazed by how it felt. This enhanced their brilliant descriptions of snakes. What a brilliant learning opportunity to inspire their writing.

The children in **Moonstone** class are really enjoying their science topic about light. Linking into road safety week, we investigated which of our coats were the most reflective. They also really enjoyed going to Abingdon school to complete a workshop about 'light' They enjoyed investigating the different colours, and how they make white light.

Next week on Friday 28th November we will be having an extra non-uniform day. Please bring in something to donate to the rainbow coloured hampers for the Christmas fayre. Red, Green, Yellow or Blue items please 😊

Break Times

We have noticed that some children have been bringing chocolate and crisps in for their break time snack. Fruit and vegetables are preferred or alternatively they could bring crackers, yoghurt, cheese, bread sticks or something like that. Chocolate/sweets or crisps are not an acceptable break time snack.

The School Shield

Little Gems – Natan for being a good friend to Eddie in class. Fantastic Natan 😊

Opal – Joni for his amazing ball skills at our cricket morning at John Mason School. Well Done Joni 😊

Jade – Emily for always being a great role model. Amazing Emily 😊

Moonstone - Nathan for his brilliant explanation of how light reflects off of objects. Well done Nathan 😊

This weeks Maths Master

Little Gems – Henry for remembering our special sentence- Parts join together to make the whole! Well done Henry 😊

Opal – Lucas for his great work on subtracting across ten using base ten. Great Job Lucas 😊

Jade – Harrison for doing so brilliantly on his times tables. Good job Harrison 😊

Moonstone – Zameisa for brilliant work calculating between fractions and mixed numbers. Great work Zameisa 😊

Ask Me!

This Week's

Little Gems – Making Dens in outdoor learning for our drawing club book- Owl Babies.

Opal – what we have learned about Africa.

Jade – Snakes.

Moonstone – Our light Workshop.

Bank Details
