Dear parents/carers,

All our children have been working hard on the Christmas fair and Carols by candlelight, planning stalls and practising songs – the school is certainly sounding very musical and festive at the moment! Thank you for all the rainbow items donated today for the rainbow hampers. Friends of Wootton would really appreciate your help at the fair– anything you can help with would be very much appreciated!

Ssssh! Christmas decorations are going up around school next week!

Preparations are under way to surprise the children with a festive school next week as a lead up to Christmas and to make ready for the Christmas fair. If you have any quality decorations that you no longer want and would be happy to donate, our staff and children would be very grateful! Please bring them into the school office in the days leading up to Friday.

Christmas Dinner bookings are open!

Our school Christmas Dinner day will be on Wednesday 17th December. If your child will **NOT** be having a school Christmas dinner, please can you let the office know asap as Tracy has to put in a food order. Thank you for your understanding.

The 17th December is also our Christmas jumper day, making the lunch all the more special and full of Christmas festive spirit. If you have any Christmas crackers spare, we would love some to make the Christmas dinner even more festive. Please can you bring them to the school office if you do. Thank you.

Little Gems have been working really hard on their number bonds and counting. The nursery children really enjoyed ordering and counting teddy bears, while the reception children enjoyed making towers from blocks and counting how many there were in each tower.

Opal class have been learning about repeating patterns this week. They enjoyed working as a whole class to make a repeating pattern with shapes. I have also been very impressed with their writing all about meercats. Great work!

Jade class have been working very hard on their times tables this week. They are also applying their knowledge of times tables to some word problems, great work Jade class. Jade class has a fantastic RE project day, where they created their own advent calendars. They are brilliant!

Moonstone class enjoyed looking at and handling some real Victorian artefacts in history this week. As historians, we worked to think what they would have

been used for and how they were created. In science we investigated how we see through our eyes. We used convex and concave lenses

Year 5/6 Primary Business Challenge Day
A group of our Year 5/6 children enjoyed a Primary Business Challenge Day at Abingdon School on Tuesday. They enjoyed a Dragon's Den style business challenge, having a go at designing and marketing a new product. Great work team!

For our carols by candlelight this year, we are going to try and create more space for parents. This year the children will be sat in the top of the hall, which will create more space in the hall for parents/cares to come and watch. We will also be selling some festive refreshments for you to enjoy while watching the service. Hopefully this means we won't have any parents squashed in the kitchen this year! Please do continue to provide us with feedback, as this helps us to improve for our whole school community.

Break Times

We have noticed that some children have been bringing chocolate and crisps in for their break time snack. Fruit and vegetables are preferred or alternatively they could bring crackers, yoghurt, cheese, bread sticks or something like that. Chocolate/sweets or crisps are not an acceptable break time snack
