### Dear Parents/carers,

Welcome back. We hope that you have all had a brilliant half term holiday. It has been so lovely to see all of the children back and enjoying their new topics. It has been lovely to welcome Mr Pitt back this week as well.

In **Moonstone class** the children have really enjoyed reading our new class novel 'Cosmic'. We have all enjoyed the humorous story and have been laughing, as we read the story together. In Science, we have begun thinking about how the moon orbits the Earth. The children enjoyed assembling the globes, using screws and screw drivers, and then used models of the moon to see how it orbits the Earth. We are very lucky to have bought 5 new globes, for the whole school, with some of the money from the £500 science grant, which we won for the school.

**Jade class** have begun their topic about Railways. They enjoyed a quiz to get them inspired about the topic, and many of them recognised the 'Thomas the Tank Engine' theme tune. They have created some breathtaking perspective artwork, of railway tracks. They are very impressive.

**Opal class** have really enjoyed starting their new book 'Hermelin'. In Design Technology, the children have made incredible 3D models of Iffley Street, to bring one of the settings from the story to life. Next, they have painted them to bring them to create the street from the story. They have also added windows and doors, which open and close. Great work Opal class, I was very impressed when I visited your class.

**Little Gems** have really enjoyed their first outdoor PE lesson, where they were working on balance and walking with a ball between their legs. They nursery children have also really enjoyed creating and playing on obstacle courses, in their garden, at lunchtime. We are really looking forward to our whole school science trip on Tuesday 24<sup>th</sup> March. Please make sure you have sent in your permission slip and contribution. We would like to thank FOWS for covering the cost of the coach for the science trip.

### **Sad News**

We are passing on the very sad news that Allen Perkins sadly passed away last Saturday. Allen was a committed governor for many years at Wootton St Peters school with particular focus on health and safety and as a Maths counsellor, which he really enjoyed. He made such a difference in so many ways, to so many children. We send our thoughts and best wishes to his family and friends at this very sad time.
