Dear Parents/carers

It has been an excellent start to the Summer term. Your children skip, run and cycle into school with their usual positive attitude ready for a day of learning. Classrooms have been the calm and productive as always. Children

are enthused by the new term's topics and the quality of work produced, especially the writing, has been of a very high standard. Children have also started preparations for May Day. The accordion music is blaring, the May Pole is out of the shed and skipping around the playground is the preferred mode of travel. Please do make sure you have found your flower sticks for the parade, if you need a new stick we have plenty in the office. If you have any questions about the flower sticks please ask the office and here is a picture to remind you of what they could look like.
