### Dear Parents/carers,

The second week of term has been much like the first. Your children continue to tackle their learning utilising the school values of compassion, courage and perseverance. We are very proud of them. In my visits to classes and teaching in Opal and Moonstone I have

been so impressed with the quality of learning that the children produce. Moonstone have shown me that they are excellent coders in Computing lessons, Jade's handwriting and English work is of a very high standard, Opal classes descriptive writing and shield designs is also very impressive. Little Gems children are so enthusiastic about all areas of their learning, they love their construction area and create very impressive contraptions on a regular basis.

The highlight this week was the visit by Radley College's Vocal Animateur, Tim Keasley. He led singing workshops as part of the Music Flood Week project. The sound of your children singing echoed around the school creating a wonderful calm ambience. They really do sing beautifully!

### The School Pond

Thank you so much to the parents who came to help with the pond clearing Last weekend and to Angela for popping in to do more this week.

We have made great progress but there is still a lot to do.

If you have an hour to spare anytime, then please let the office know as there is lots of chopping and tidying still to be done.

### The School Shield

**Little Gems – Natan for always looking to learn from marvellous mistakes. Amazing Natan 😊**

**Opal – Livia for her great writing about George's horse in the picture of George and the Dragon using expanded noun phrases. Great work Livia 😊**

**Jade- Ambrose for his brilliant attitude to learning and for always being a kind friend. Fantastic Ambrose 😊**

**Moonstone – Amelia for being a really kind and helpful friend. So lovely, well done Amelia 😊**

### This weeks Maths Master

**Little Gems- Lyra for subitising brilliantly and explaining Patterns of one less. Well done Lyra 😊**

**Opal – Arthur for his understanding of equal and unequal parts as we start to learn about Fractions. Well done Arthur 😊**
