Dear Parents/carers,

What an exciting final week of the term we have had. The May Day celebrations were the usual fantastic event, as I said it's my favourite day of the year. Thank you to so many of you for coming to see your children's Maypole Dance - they were amazing! It was a joy filled afternoon and showed us all what a special school community we are. I think we would all agree how impressed we were with how the children were able to

persevere when there was tangled ribbon or two - what excellent performers. Thank you so much for spending so much money at the stall - you raised an astonishing £1,023!

Rock and pop band lessons with Rocksteady

Your children loved the assembly and workshop yesterday with Rocksteady Music School. The staff are now thinking about starting a band! (Insert photo)
 From **Monday 1st June**, Rocksteady Music will deliver fun and inclusive rock and pop band lessons, right here at Wootton St Peter's! These weekly music lessons take place in school and are led by professional musicians who make learning music fun.

It's the perfect way for children to learn new musical skills, make friends and have a great time – all at school! Rocksteady lessons are also shown to amplify confidence, wellbeing and social skills.

Here's what else you need to know:

- *There's no experience necessary and all instruments for lessons are provided.*
- *Watch as your child performs in their end of term concerts, showing just how far they have come.*
- *Children learn up to 300 instrument, band, and performance skills, whilst playing songs they love.*
- *Children can achieve an Ofqual-regulated Music qualification, accredited by Trinity College London, without having to take a single exam.*
- *You'll receive regular progress updates, including photos and videos.*

There's a money-back guarantee for the first month and you can cancel at any time. Places are offered on a first come, first served basis.

Sign your child up for band lessons online at rocksteadymusicschool.com/parents

If you have any questions about Rocksteady, call 0330 113 0330 (Mon-Thurs 8am-8pm, Fri 8am-6pm, local rate) or email: info@rocksteadymusicschool.com.

Best wishes,

Moonstone

Moonstone Class have been very busy this week preparing delicious homemade scones ready for May Day. The children thoroughly enjoyed taking part in this exciting hands-on learning experience and showed fantastic teamwork, enthusiasm and care throughout the activity.

As part of the project, the children used a range of mathematical skills to carefully weigh and measure the ingredients accurately, developing their understanding of capacity and measurement in a real-life context. They also applied their Design and Technology skills by learning about food preparation, hygiene, baking techniques and following a recipe step by step. The classroom was filled with wonderful smells and lots of

excitement as the children watched their scones rise in the oven!
