Dear Parents/carers,

Thank you to the parents and governors who attended the Q+A session on Wednesday. It was very helpful to hear your views and for us to be able to give more information and context about the change to having three classes next year. We will share the notes from the session on Monday which will encapsulate much of what was asked and discussed. I believe the main point

to remember is that your children will still be taught by the same adults who love working at the school and loving teaching your children and that our school is better than the surrounding school. We are excited about the year ahead and we look forward to welcoming you to school for Open Classrooms next year so you can see the high quality learning that takes place here every day.

Collective Worship theme for the term: Respect
Thank you to Mr Herington today for leading the collective worship. He told the story of [Zacchaeus](#) and how Jesus taught us to "Do unto others as you would have them do unto you." We have also linked this to the Wootton Hi 5 promise, particularly "Treat others how you would like to be treated". I am very proud that the for the vast majority of the time this rule is followed and that school is happy and kind place to be.

Best wishes,
Charlie Pitt
