### Police visit

Moonstone Class had a visit from PC Matthew Dix on Wednesday to talk about keeping ourselves safe. He advised the children to trust their instincts to help them stay safe. He told us about this website which has a section for

parents: <https://staytrueto you.co.uk/parents/>

and for children: <https://staytrueto you.co.uk/young-people/>

Matthew told us that to stay safe and make good choices:

***You already have what it takes. But we know that sometimes you might need a bit of advice, or someone to talk to. Someone you can trust. If you don't have that person, we can help you find them. So trust yourself. Your gut. Your instincts. Respect the values you have about what's right. Follow your own path. Stay True to You.***

This was a really helpful message and the children in Moonstone responded in a sensible, mature and respectful manner.

### Opal Class Art Week

## Road Works In The Village

I have written to the Council to express our concerns about the road being closed during school pick up times. I am happy to inform you that the Council have confirmed that the project lead of the road works has agreed to work the hours **9:30- 2:30** each day to ensure the road is available to parents and transport services. Therefore we will hopefully not experience too much disruption at pick up time next week.

## Class changeover day Friday 26<sup>th</sup> June

Your children will be learning with their new classes and teachers on Friday 26<sup>th</sup> June from 9:00 until 10:40. This will give them the chance to get to know their teachers, teaching assistants and classmates. They will also be able to name their class and tell their adults what they would like to have in the classroom.

## This weeks Shield Winners

**Little Gems** – Elsie is the proud winner of the shield again this week. Mrs Hicks amazed at her artistic collage of the freedom bird, using watercolours and coloured paper. Well done Elsie 😊

**Opal** – Casian for his concentration and independent work, making four amazing Rainforest animals from masking tape. Well done Casian 😊

**Jade** - Gracie for her excellent piece of art work of a Pharaoh. Well done Gracie 😊

**Moonstone** – Amelia for her incredible detailed drawing of a phoenix. Well done Amelia 😊

## This weeks Maths Master

**Little Gems**- Henry for his knowledge of the days of the week and what you do at the different points in the day. Well done Henry 😊

**Opal** – Eli for his great work with telling the time to the O'clock and half past. Well done Eli 😊

**Jade** – Josiah for his good work thinking about the “Time”. Well done Josiah 😊

**Moonstone** – Zamesia for her wonderful geometric picture of Patronus. Well done Zamesia 😊

## This Week's

**Little Gems** – Our Ocean Jars.

**Opal** – what foods are in a Seder Meal and the amazing artwork we have created this week.

**Jade** – Ask interesting questions.

**Moonstone** – Art Week 😊

## Hot Weather Expected Next Week

We are expecting very hot weather next week, and we want to make sure all children stay safe and comfortable throughout the school day. To help with this, children may come to school wearing their PE kit or other light, loose-fitting clothing that will help keep them cool.

Please ensure your child brings the following each day:

- A full water bottle
- A sun hat
- Sun cream applied before school (and sent in if they can reapply independently)

We also want to make you aware that our KS2 Talent Show (for Jade and Moonstone class) scheduled for Wednesday 24<sup>th</sup> June, may need to be postponed. With the forecasted heatwave, we do not want to put children or families at risk by having them outside for a prolonged period, and the school hall is likely to become too hot to use safely.

We will continue to monitor the weather closely and will update you as soon as a final decision is made. Thank you for your understanding and for helping us keep everyone safe and comfortable during the hot weather.

## Pond Area - Can you help?

We would like to set up another working group to do more work on the Pond area, it will involve more clearing and some digging over before we can lay shingle and replace a few slabs around the pond. This will take place on Saturday 4<sup>th</sup> July 10-2. Please let the office know if you are able to help.

Many Thanks  
Michaela Hicks

### **Carpet Cleaner**

Does anyone have a carpet cleaner we could use to clean our class rugs at the end of the year please?  
Many thanks.
