Friday 18th December- End of Term-School finishes at 1.15pm.

Monday 4th January- Inset Day.

Tuesday 5th January- School starts 8.30am.

Dear parents/carers,

Our wonderful SIAMS report

What fantastic news to share! Our SIAMS Inspection Report was published last week, and I hope you've had the chance to read it.

This quote particularly captures what makes our school special:

"The school is firmly grounded in love, with individuals being well known and much respected... There is a culture of care embedded within the school."

This recognition of our loving, caring and compassionate community means so much to us all. It reflects our commitment to treating every member of our school with unconditional positive regard. This is something we can all be very proud of.

Open Classrooms – we can't wait to see you!

Friday 16th October at 2:45pm – save the date!

Your children have been producing some excellent work recently, and they're so excited to share it with you. It's going to be a wonderful afternoon celebrating their achievements together.

A heartfelt thank you

We're incredibly grateful for the support you're giving your children at home:

- **Daily reading and spelling practice** – this makes such a difference to their progress
- **Amazing homework projects** – the Ancient Greek cakes, pottery, and volcanoes in Phoenix Class have been absolutely brilliant!

The time and creativity you're investing in your children's learning is wonderful to see. Thank you! We look forward to welcoming you on Friday.

Welcome to new members of the school

We are very pleased that Matisse and Indiana have joined our fantastic school. A big welcome to Matisse and Indiana.

The School Shield

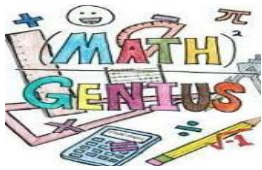

Robin Class- T'Aifa for his brilliant work in drawing club. He can hold his pencil with good grip now and drew a picture of a forest where the Gruffalo and his Granny are. Fantastic T'Aifa 😊

Falcon Class- Lucas for all the amazing topic work on Volcanoes that he did outside of school- Tectonic plates and making a Volcano. Amazing work Lucas 😊

Phoenix Class- Larsson for his excellent story about Odysseus, which was over 6 pages long. Excellent detail Larsson 😊

Le'Niya for her excellent story about Odysseus, where she used incredible vocabulary and sentence structures. Amazing Le'Niya 😊

This weeks Maths Master

Robin Class- Ziad for counting fluffs with tweezers to match numbers 1-5. Well done Ziad 😊

Falcon Class- Arthur for his brilliant Column work In Maths. Well done Arthur 😊

Phoenix Class- Josiah for great work calculating missing numbers, enjoying maths so much and continuing to ask for more questions. Great work Josiah 😊

Ask me About

Robin Class- Making Apple Crumble.

Falcon Class- Dinosaurs and Fossils

Phoenix Class- How to make a Coil Pot.

The Children's Highlights of the week

Georgie really liked French this week. "We learned how to say "I like" Jogging/Swimming and Football.

Lexi "I liked The girl and the Dinosaur"!

George "I had my Birthday at school this week"

Cassian "I enjoyed making my Volcano at home out of clay" and painting it". "I bought it in to show everyone".

Julia "Making our Clay pots".

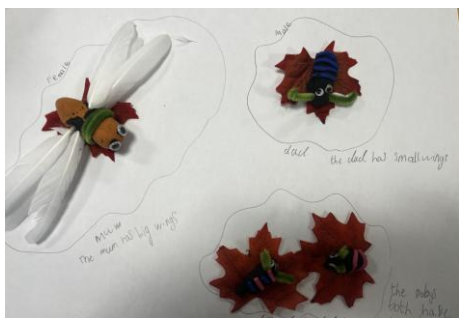

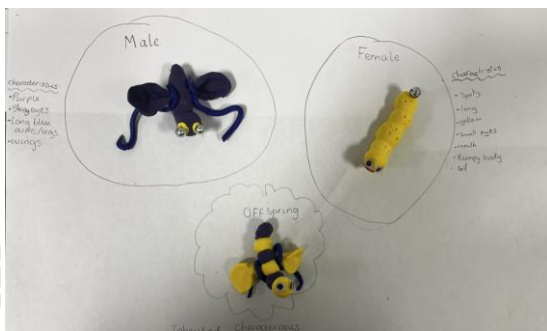

Phoenix Class have been learning all about inherited characteristics in Science and discovering how offspring inherit characteristics from their parents.

To bring their learning to life, the children worked with their learning partners to create a male and female parent insect, carefully choosing and recording their characteristics. They then used the characteristics of both parents to design and create their very own offspring insect!

It was fantastic to see the children thinking carefully about which characteristics could be inherited from each parent and explaining how their offspring had features from both. A fun and creative way to explore an important scientific concept!

Well done, Phoenix Class! You were fantastic scientists!

Phoenix Class have also been developing their clay skills as part of our Ancient Greece topic. The children have been busy creating their own Greek-inspired coil pots, carefully rolling coils of clay and building them up to form their pots.

It has been wonderful to see the children building on the skills they have developed in previous years, showing creativity, patience and perseverance as they brought their designs to life.

Our beautiful pots are now drying and will soon be ready for painting. We can't wait to see the finished creations!

Falcon Class

Falcon Class have been producing some wonderful homework projects, linked into their topic about Volcanoes

Robin Class

The children in Robin class have had a wonderful time exploring The Gruffalo and The Gruffalos Granny stories this week. The children enjoyed making their own Gruffalo crumble in our tuff tray. They explored the different ingredients and used their imaginations as they created their own crumble mixtures.

Inspired by this activity, the children then had great fun making a real apple crumble. Delicious!!

After School Clubs

This term we can offer:

Wednesdays Tennis (Year 3,4,5,6)

Wednesdays- Dance (Reception, Year 1, 2 and 3)

Thursdays- Dance (Year 4,5 and 6)

You can pay weekly or termly, which ever suits you best. All school trip payments and slips must be returned by the date on the trip letters. Many thanks.

Bank- **Lloyds TSB**

Account number- **19341368**

Sort code- **30-80-12**

Reference- Childs name/care, child's name/ dinners or child's name trip.

Pc Ben Visited Robin and Falcon Class

Cycle Training Fun- Rain or Shine ☺

Second-hand Uniform

Everyday next week after school- What used to be Opal class on the playground will be open for parents to come and buy second-hand uniform. We have so much of it again and Jackie and Tracy very kindly took it all home to wash and dry.
