Dear parents/carers,

This has been another week of excellent learning at Wootton, the writing in Year1 is very impressive. The highlight of the week was the singing performance by Falcons and Phoenix class at the Remember When Tea Dance at Wootton and Dry Sandford Community Centre. The audience of care home residents were enchanted by the beautiful singing and some said it was the best day out they had had in years. A huge thank you to Miss Phillips for leading the singing assemblies and to Miss Tolley for rehearsing the children so well for their performance of So long, Farewell from the Sound of Music.

Speak out Stay Safe

This week children in Years 2,5 and 6 have taken part in the NSPPC Speak out Stay Safe workshops, which were a follow up to the previous weeks assemblies. All the children engaged very positively with the workshops. Here is a link to some resources you can use at home: https://www.nspcc.org.uk/advice-for-families/safety/

Anti-bullying Week

The theme this year is *Break the Silence*. It will encourage children, young people and adults across the UK to start conversations about bullying, speak up, listen and take action together. We will be exploring this theme with assemblies and activities throughout the

week. Here is a link to resources that you can use at home https://anti-bullyingalliance.org.uk/anti-bullying-week-2026/parent-and-carer-pack

Remember when Tea Dance

We were honoured to be invited to sing at the 'Remember when Tea Dance' yesterday in honour of June Ponting. We enjoyed singing a variety of songs from the 1920's era, including 'It's a long way to Tipperary' and 'We'll meet again'. We were proud to perform to residents from Bridge House Care Home and members of our local community. What a fantastic event not just for a good cause but a lovely way to bring the community together.

Phoenix Class

We have been learning about different types of fossils and how the layers in the fossil record provide important evidence of evolution. We had the exciting opportunity to dig up and examine a selection of real fossils, looking closely at their features and what they could tell us about life millions of years ago.
Our challenge was to become fossil detectives and work out which type of fossil we had discovered. Were they mineralised fossils, trace fossils or fossilised remains of actual organisms?
There was lots of careful investigating, discussion and scientific thinking as we examined our discoveries. A brilliant hands-on way to bring our learning about evolution and the fossil record to life! 🌍

FOWS News

We're delighted to announce that our FOWS Christmas Fundraising raffle is now live. We've managed to secure a wide range of fantastic prizes including a Miele vacuum cleaner, vouchers for a variety of local family days out, Blenheim Palace Family Annual Pass, Pegasus Theatre tickets, Loose Cannon Open evening tickets, a stay at the Hilton Garden Inn in Abingdon, toys, crafting and loads more (they are still coming in!)

The link to the raffle is:

https://go.rallyup.com/fowschristmasraffle2026

Please do share with family and friends - the raffle is open to everyone!

Additionally, if any of you have any unwanted items that would be suitable for our Christmas Fayre tombola or Michaela's incredibly popular "Elfridge's", where children can buy and wrap presents for their parents, we'd be very grateful of any donations - please just pop them into the FOWS donation box in the school reception.

We're really excited about making this year's Christmas fundraising as fun and successful as last year. Thank you for all your ongoing support. Please see the attachments.
