

PE and school Sports funding.

Reflection: What have we achieved and where next? 2015/2016

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<p>1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles. Inclusive High 5. gym and football clubs- children of all abilities encouraged to join. Transport funded for some inter-school competitions enabling all children to participate. Playground equipment funded and repairs to existing equipment.</p> <p>2. The profile of PE and sport being raised across the school as a tool for whole school improvement. Regular reports in assemblies/newsletters and website about competitions entered. Use of specialist sports teacher to organise intra-school competitions. All children in KS1 and 2 swim for 10 sessions per year. Sports funding used to subsidise this.</p> <p>3. Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>	<p>Percentage of children who take part in school clubs. Percentage who take part in sports clubs outside school. Children have attended Cross-country, Tag Rugby, High Five and Gymnastics competitions so far this year.</p> <p>Stilts have been bought for playtimes and all equipment is usable again.</p> <p>Raising self-esteem. Fostering team spirit.</p> <p>Children given high quality PE experience.</p> <p>All children can swim 25 metres by end of KS2. Employing a specialist PE teacher to teach sport in KS2 leading to training of all staff.</p> <p>Continuing professional development</p> <p>Specialists to train non specialists.</p>	<p>Continue to encourage all children to participate in out of school sport. Offer a wider range.</p> <p>TA now has minibus licence.</p> <p>Continue to update playground equipment.</p>

Planning provision and budget for 2015/16

Total fund allocated £8560

	School focus	Actions to achieve	Planned funding	Impact on pupils	Sustainability
The engagement of all pupils in regular physical activity	Inclusive High 5. gym and football clubs- children of all abilities encouraged to join. Transport funded for some inter-school competitions enabling all children to participate. Playground equipment funded and repairs to existing equipment.	Order equipment. Find people to run clubs. Book transport.	Swimming for children across the school subsidy- £1000 Transport- £500 Equipment £1000	A recent audit of out of school hour's sports activity showed that 95% of our pupils now take part in at least one hour of out of school hours sport per week.	TA now has minibus licence. Build into school budget.
The profile of PE and sport being raised across the school as a tool for whole school improvement.	Regular reports in assemblies/newsletters and website about competitions entered. Use of specialist sports teacher to organise intra-school competitions. All children in KS1 and 2 swim for 10 sessions per year. Sports funding used to subsidise this.	Update website/newsletter. Report in results of intra/inter sport competitions in assemblies.	Specialist PE teacher- £4900	Raise profile of PE. Pupils enthusiastic about school PE and sport.	Make swimming self-funding.
Increased confidence knowledge and skills of all staff in teaching PE and sport	Use of specialist PE teacher and highly trained TAs.	Continuing professional development.	Specialist PE teacher- £4900	Raise quality of PE taught in school.	Specialists to train non specialists.
Broader experience of a range of sports and activities offered to all pupils	Offer seasonal clubs for the children after school. Accept invitations from coaches to promote their sports.	Seek out a range of different sports for the children to try. Promote club links.		As many children as possible take part in out of hours school sports clubs.	
Increased participation in competitive sport	Join in with rugby, cross country. Athletics, High 5, Gym and tennis events/competitions.	Membership of sports partnership. Promote club links.	£350.00		Join in with more competitions each year.
