## Achievements this week- School Shield

Class 1- Toby Rose for fantastic phonics and always trying his best ☺

Class 2- Jennah Nawaz-Campbell for her lovely handwriting and always listening ☺

Class 3- Woody Arnold for making fantastic progress ☺

Class 4- Abigail Morgan for her creative flair in writing and for trying her hardest.

We would like to thank Lisa Davis, Jake and Billy's mum for donating the wonderful new school shields for each class and to Maureen Allison for making the lovely bags to put them in ☺

## Walking to school

It has been brought to our attention that some of our older children walking to school in the mornings have been calling in to the local shops to purchase sweets, some with quite substantial amounts of money. As a school we like to promote healthy eating and would appreciate it if you could advise your child against this and to please choose a healthier option. Thank you

## Playtime games

As we are in the middle of the cold and wet weather children are only able to use the playground, so there is no space for football. There is a new box of play equipment for children to choose from. The game 'it' is allowed to be played as long as there is no grabbing.

## Mornings

I haven't been able to greet you all in the mornings this term as I have been covering for Betty in Before School care. I look forward to being back out there next week. We all wish Betty a speedy recovery ☺ Fiona Rose.
