From The Governors

Dear Parents,

<https://www.surveymonkey.co.uk/r/R6HYWJQ>

The deadline for completing the parent survey is midnight tonight, Friday 23rd February 2018. The survey is anonymous and the data will be collated and analysed in the first instance by the governors' teaching and learning committee, before the results are shared more widely with staff and parents. If you have any concerns about completing the survey please speak to any of our governors, many of whom are also parents. You can find their names listed on the website. Hard copies of the survey can be provided; please speak to the school office in the first instance.

Many thanks for your continued support.
