From The Governors

Dear Parents,

Please see the for the link to this year's Parent Survey. We very much hope you will be able to find time to complete the survey and provide your feedback, including any ideas about how we might improve our school. It should only take about 10 minutes of your time. You may complete one survey per child or one per family as you choose.

<https://www.surveymonkey.co.uk/r/R6HYWJQ>

The deadline for completing the survey is midnight on Friday 23rd February 2018. The survey is anonymous and the data will be collated and analysed in the first instance by the governors' teaching and learning committee, before the results are shared more widely with staff and parents. If you have any concerns about completing the survey please speak to any of our governors, many of whom are also parents. You can find their names listed on the website. Hard copies of the survey can be provided; please speak to the school office in the first instance.

Many thanks for your continued support.
