School News

Up Coming Dates

- End of term Fri 9th February. School finishes at 3.00pm. Half term 12th-16th February returning to school on Mon 19th February.
- Parents Evenings Thurs 15th and 22nd of March for the whole school. Signup sheets will be displayed nearer the time outside class rooms.

School Choir

Children have been given words to practise for upcoming concerts. There are backing tracks and guided vocals to listen and sing to at www.tinyurl.com/woottonsinging Mr Herrington has organised a concert at the Community centre on **Saturday 5th May** where the choir will be singing. More details to follow closer to the time.

Assembly

As it is the last week of term there were no school shields to give out in assembly this week. However instead we had some children read out extracts of the work they have been doing in class 4 on WW2. We heard some great facts from Darius and Abigail, while Tayla, Seren and Emmanuel shared with us part of the stories they had written. All read beautiful and it was so nice that they could share their work with the whole school. Well done.

Parent Hub communication

As part of an add on to the school setting up the parent hub app, RM the provider also gave us the facility to send email notices for a limited period. To continue with this provision school would need to buy into the package. If parents wish for this to

continue we will investigate ways of funding this option.

Parking

Local residents are appealing to parents to park responsibly at the church and not within the village past the school. Thank you.

From The Governors

Dear Parents,

Please see the link for this year's Parent Survey.
We very much hope you will be able to find time
to complete the survey and provide your
feedback, including any ideas about how we
might improve our school. It should only take
about 10 minutes of your time. You may complete
one survey per child or one per family as you
choose.

<https://www.surveymonkey.co.uk/r/R6HYWJQ>

The deadline for completing the survey is
midnight on Friday 23rd February 2018. The
survey is anonymous and the data will be collated
and analysed in the first instance by the
governors' teaching and learning committee,
before the results are shared more widely with
staff and parents. If you have any concerns about
completing the survey please speak to any of our
governors, many of whom are also parents. You
can find their names listed on the website. Hard
copies of the survey can be provided; please
speak to the school office in the first instance.

**We know that some parents were
experiencing difficulties when trying to
complete the survey more than once. There
was a slight glitch setting up the system that
has now been rectified.**

Many thanks for your continued support.
