

A week full of Christmas fun

Seasons greetings, from class 4. A lot is going on in this class like: fun games, super funny movies, festive clothes and all sorts of different activities!

On Monday the 18th we had a unique day. Lots was going on eg: Christmas movies, snowflake making and making crackers because we are learning about the Victorians (they introduced them to the UK). Learning about the Victorians has been really fun. Merry Christmas!
