Sports Relief week

We would like to say a huge well done to all the children who took part in sports relief week. You all did absolutely amazing and as a result raised a whopping £433.20 for the charity, which is just fantastic. Well done everyone 😊

Help us celebrate our Big Birthday!

Did you know Wootton St Peter's will be 150 years old next year?

The Governors are starting to think about how we can mark this very special occasion and we would love to hear your ideas, suggestions and inspiration.

How can we celebrate? What would the children like? How best to commemorate the event? Do you know former pupils or former teachers?

We will need volunteers and so please get in touch now through the office.

Spaces available Athletics

Carl who runs our athletics club has been in contact to say that he can now offer a further 4 spaces for anyone that is interested. Please get in touch via the clubs email should your child like to give it a go.

From The Governors

School Governors – What is it all about?

You often see in the school newsletter a request for people to join the governor but what do governors do? In a nutshell, the governor's work with the Head to ensure the school runs to the best of its ability and strives to keep improving to ensure our kids reach their potential whilst at St. Peter's.

I have two children in the school and had no idea about what goes on 'behind the scenes' at school before I was a governor. It's interesting to find out what is St. Peter's focus, how they turn government strategy into everyday schooling for

our kids, how the school runs on a day-to-day basis, how our kids are kept safe and the thinking behind new incentives (and be a part of the decision-making process).

We're all busy, how can anyone fit in being a governor? All of the committee members work, we're all from different backgrounds and that is what makes it so interesting. We all struggle to fit 'life' into the working week but it doesn't take as much time as you would think to be a governor. I assign an hour a week to keeping up with e-mails and tasks I have been assigned and on top of that, I attend approx. one evening meeting a month. It's rewarding, it's interesting and above all that, it's enjoyable. By giving a few hours a month you can make a difference to your kids' school days. If this sounds interesting to you, if you want to do something completely different to your 'day job' then feel free to speak to any of us governors when you see us for more details. The governors are: Sarah Cook, Mirco Meniconi, Alis Oancea, Yvonne Oppon, Andrew Morgan, Rev'd Jon Williams, Marion McLachlan, Emily Eastham and Grace Clifton.
